

ROCK SOLID

'Rock Solid' will be loads of fun as we follow the adventures of a crazy rock band. Add in some stories, groovy music, games, craft and munchies and you've got a fun packed week of entertainment for young and old alike.

9 am—12 noon. Monday til Friday

And for the youth - safe, hang-out zones at the Town oval and clubrooms with loads of activities each evening.

Any queries to Mission Team Leaders:
Grantley & Dale Telfer phone 8676 8080.
Mobile 0428 867 680

Donations are greatly appreciated to support the mission.

Participation Consent Form

We recommend that all children and young people wear a hat and sunscreen. Please provide your child with adequate sun protection.

It is our practice to write to children who participate in our programs, for example to send a birthday card, invite them to other events and next year's program and to keep up the friendships begun during TBFM. You will need to inform a program director, if you do not want this to happen.

In the event of a medical emergency we will seek medical aid, including, if necessary, ambulance transport and hospitalisation. In allowing your child to come to TBFM 2010 you give your approval for us to do so should we believe your child needs it.
